

# BRING ON THE JOY

## WANT TO BE INCLUDED IN OUR SUPPORT LOCAL GIFT GUIDE?

---

Good Afternoon Members,

This is an exclusive opportunity created by the CSPA to help get our businesses extra exposure through the important Xmas quarter.

Our Chapel Street Precinct Support Local Gift Guide will be highly publicised through many cross-promotional media partners for maximum targeted reach.

We're again taking this opportunity to reinforce the #SupportLocal message and encouraging Melburnians to buy their Xmas gifts and food from our local businesses who have done it so tough this year.

We know that this year, it's the small things that count, which is why this campaign is also about encouraging people to think about where their money is going when they buy a Xmas gift and the happiness that their single purchase is making to a small business, beyond just the person they are gifting it to.
